

Super Friday FAQ

How old does my child need to be?

We serve students from 1-14 years old. Students who “age out” often begin serving others as aides or teen teachers.

Do I have to stay and teach/help? Can I stay and teach/help?

Parents are welcome to drop their children off and use the time as they wish. If you would like to stay on campus, we offer both paid and volunteer positions for teaching and aiding, as well as a Mom’s Rest Stop, where you can find Bible study, snacks and fellowship with other homeschooling moms.

Does this replace my curriculum or teaching at home?

Super Friday is not intended to in any way take the place of home education. Our classes are designed to come along side what you are doing at home by providing extra-curricular options that are fun, affordable and educational.
